IITMK reserves the right to accept any quotation and to reject any or all quotations. IITMK will place order on the vendor, whose offer has been determined to be substantially responsive to the tender.

The price quoted in price bid should be inclusive of all types of taxes (GST, Income Tax, All type of Insurance Charges etc). No extra charges will be paid over and above the contract amount on account of any taxes (existing or future addition) or on any other account.

New air-conditioners installed and which are under warranty period presently will not come under the purview of this Contract immediately on awarding of Comprehensive AMC. The details of such Air conditioners presently existing will be provided during awarding of the works. When the Warranty period of these units expire during the period of AMC then, these units are to be maintained by the Contractor till the expiry period of AMC. Additional AMC Charges will be paid on the pro-rata basis for the period for which these units are to be maintained at the same unit rate as applicable to similar item in the original AMC and on the same terms and conditions of the AMC.

If any additional number of air-conditioners is added during period of AMC in the offices covered in Tender, after completing of warranty periods of additionally installed air conditioners, the additionally installed air conditioners are to be maintained by the Contractor till the expiry period of AMC of the Contractor according to the same terms and conditions of the Contract. If any units are removed from AMC the same will have to be covered under these AMC. The AMC contractor has to maintain these units at the same unit rates offered by them for the similar units in the Contract proportionate amount as per the unit rate of the Tender will be deducted.

The Annual Maintenance Contract will be of comprehensive in nature and for a period of one year. IITMK, at its discretion may extend the term further.

This comprehensive Contract includes replacement of faulty spares like Compressors, Starting Capacitors, Running Capacitors, Relays, Thermostats, Fan Capacitors, Fan Motors, Selector switches, Power Contactors, Control Contactors, External Time Switch Units provided for specific time running of A.C's, Stabilizers, Rewinding of motors, providing Ball bearing of motors, Fan blades, Electronic Control Circuitry, etc at Contractor's cost including Gas charging and attending all complaints and breakdowns of all types of air-conditioners.

Only original spare parts/quality approved by the IITMK will be permitted to be used for the maintenance during the AMC Period.

Periodical preventive servicing has to be carried out once in **three months** for all the Air conditioners covered under AMC. During the quarterly servicing, the contractor should water service the AC unit including water washing of filter, drain tray and pipe cleaning, Evaporator brush cleaning, oiling/greasing of all Fans, checking of current consumption, checking of output performance, testing of Gas pressure if necessary, water washing of Condenser Coil, etc

Complaints regarding the non-functioning of air-conditioners are to be attended within within one day from time of reporting the complaint. The AMC Contractor is entitled to take back the old faulty/damaged parts of the Air-conditioner, which are replaced by new parts.

Defective spares compressors / condensers are to be replaced with new compressors / condensers and repairing of the old compressors is not permitted. Whenever new compressors / condensers are used, the Contractor has to produce original invoice and Warranty Card of the new Compressor/ condenser at the discretion of the IITMK. The compressor/ condenser being replaced should match with the original star rating of the air conditioner.

All the Air-conditioners covered in this contract have to be maintained as per the standards of the original manufacturing company. The contractor has to repair /service/ maintain the air conditioners under the AMC in as is where is condition when handed over to them under AMC.

Payment Terms: AMC Charges will be paid at end of every half year of the AMC period.

Penalty for Delayed Services: Penalty will be charged @ 0.5% of the contract value per day subject to maximum of 5% of total order value, in case of delay / non-completion of work within the stipulated time period.

Firm period of Tender will be 90 days from the date of notification.

Place: Technopark
